ONE KILLED FOUR INJURED

James Wright Has Skull Crushed in Runaway--Dies From Injuries

MOTHER OF DR. WRIGHT

Seriously Hurt--Other Injured Mrs. James Wright and Mr. and Mrs. William Banks--Scared at Squirrel.

James Wright, of New Vienna, was so seriously injured in a runaway Friday, that he died from his injuries Sunday. His wife, Mr. and Mrs. William Banks and Mrs. L. S. Wright, mother of Dr. C. D. Wright, of this place, were in the carriage with him at the time and all were injured, but none of them fatally.

They had been spending the day at the home of Frank Woodmansee, of Highland, and were on their way to the Wright home, north of New Vienna. They were driving two spirited horses to a carriage. When in front of the residence of the late William Burnett, about a mile east of New Vienna, a squirrel ran from a tree in the grove onto the road. This frightened the horses. They bolted for the opposite side of the road and swerving came back across the road. By the sudden jerks and quick turns of the horses the carriage was wrecked and the occupants thrown out.

Mr. Wright must have fallen on his head as his skull was crushed. His wife suffered severe cuts on the head and one wrist and one ankle was strained. Mrs. L. S. Wright's left shoulder was dislocated and the shoulder blade broken and her left leg badly sprained. Mrs. William Banks sustained an injury to her back, a lump about the size of an egg being raised over the spine. At this time she has not been able to use her body, and it is feared that she may be an invalid for life, although the surgeon who examined her hoped that the spine was not permanently injured. Mr. Banks escaped except for some severe bruises and slight cuts. He was able to attend the funeral of Mr. Wright. In addition to the injuries mentioned above all of the parties were badly bruised, their bodies being black and blue.

The horses ran about two hundred yards after they were frightened. Burch Penn, of New Vienna, came along in his automobile shortly after the accident and found the injured people. He helped them into his car and hurried for medical aid. Dr. Conrad, of New Vienna, was the local physician and he called in Dr. Ranshoff, of Cincinnati, who made a complete examination of their wounds.

An operation was performed on Mr. Wright Saturday morning, but he never regained consciousness and died Sunday morning. His funeral was held at the Methodist church at New Vienna Tuesday afternoon. He was one of the largest land owners and wealthiest farmers of that neighborhood.

Wednesday at noon the word received from the injured people was that they were getting along as well as could be expected and that it was believed that their injuries would not prove fatal.

Parkes-Stevenson.

Miss Pauline Parkes and Mr. Clifford B. Stevenson were united in marriage at high noon Wednesday, at the home of the bride's parents, Mr. and Mrs. Charles C. Parkes. The ring ceremony was impressively performed by Dr. R. O. Matthews in the presence of the members of the immediate families and a few particular friends.

An elaborate wedding breakfast was served following the ceremony. Mr. and Mrs. Stevenson left that afternoon for a short wedding trip. Upon their return they will be at home to their friends at the home of the groom's parents, Mr. and Mrs. Walter Stevenson.

The bride received many useful and beautiful presents from her many friends.

Mr. and Mrs. Frank Coler and daughter, of Milford, and Lewis McMeekin were the out of town guests here for the wedding.

HIGH PRAISE

Given Dr. Matthews by Official Board in Resolutions Asking for His Return

At a recent meeting of the official board of the Methodist church a resolution was unanimously passed praising the work of Dr. Matthews during the past year and asking for his return next year. His exceptional ability as a preacher and his worth as a man were justly recognized and praised. With what complete satisfaction Dr. Matthews has performed his difficult duties and how earnestly the members of his congregation desire his return is shown by the agreement to pay him a salary of \$2000, if he comes here for another year. The board, however, recognized that it would be an easy matter for a man of Dr. Matthews' high talents to secure a charge paying a larger salary and state that they do not want to embarrass him or interfere with his advancement by insisting upon his being returned. The salary voted Dr. Matthews is the largest ever offered a minister in Hillsboro.

Regardless of creed the people of Hillsboro would rejoice if Dr. Matthews would be here another year.

Only one new case was filed in the Common Pleas Court during the past week.

George Bruce asks for a judgment against Bert Eubanks and D. S. Hiatt for \$300 with interest at 7 per cent from March 20, 1910, less a credit of \$20 paid on May 13, 1911. The action is on a promissory note signed by Bert Eubanks, Angle Eubanks and D. S. Hiatt to the order of George Bruce and was executed on March 20, 1909.

Two cases were dismissed by Judge Newby last Thursday. They were Charles D. Johnson, as treasurer of Highland county vs. Wm. A. Martin et al and The Fidelity Building & Loan Co., of Greenfield vs. Nancy McClelland et al. Both cases were compromised.

ANOTHER ROUND OVER HOSPITAL

Trustees of Association Submit Proposition to Hospital Company

NOW UP TO COMPANY

To Approve or Disapprove of Trustees, Who are Prominent and Influential Citizens of Hillsboro.

The trustees of the Highland County Hospital Association have acted upon the proposition made by the directors of the Highland County Hospital Company in regard to the taking over of the property of the Company.

At a recent meeting the trustees of the Association organized by electing C. F. Whisler, president; J. W. Watts, secretary and J. W. Evans, treasurer. It will be remembered that the six trustees were selected by the incorporators several weeks ago and are to serve for one year.

These men are representative citizens, men who stand high in the community, who have no axes to grind; who are not looking for personal aggrandizement, profit or preferment and we believe would manage the hospital impartially and with but one end in view the general good of the community. With men of such high standing and character as trustees there certainly can be no question about the directors of the Company turning over the property to the Association.

The letter from the Association trustees to the Hospital Company follows:

HILLSBORO, O., June 9, 1913.

To The Highland County Hospital Company:

We, the undersigned Trustees of Highland County Hospital Association acknowledge the receipt of your proposition under date of June 2, 1913, in which you propose to sell to The Highland County Hospital Association the entire property and assets of The Highland County Hospital Company to-wit:

The real estate known as the Bowers House and certain other assets, mentioned in said proposition, and setting forth the terms and conditions of your said proposed sale.

You, however, say that the foregoing proposition shall be effective ONLY after The Highland County Hospital Association and the subscribers to the Articles of Incorporation thereof shall have definitely fixed the number of Trustees, therefore, and shall have elected the same, and only then if a majority of such Trustees and the organization of said Association be acceptable to a majority of the Board of Directors of your Hospital Company.

On account of this condition attached to your proposition, it would be useless for the Trustees of The Highland County Hospital Association to discuss the terms and conditions of your proposition to sell the said Bowers property and your other assets, until we are advised by you as to whether a majority of the Trustees of our Hospital Association is acceptable to a majority of your Board of Directors.

The subscribers to the Articles of Incorporation have elected the six persons whose names are subscribed hereto, as Trustees of our Hospital Association for the period of one year, and these Trustees have organized by selecting C. F. Whisler as President, J. W. Watts as Secretary and J. W. Evans as Treasurer.

If you will advise us whether or not the undersigned Trustees, organized as above set forth, are satisfactory to a majority of your Board of Directors, we would then know whether or not it is necessary to discuss further with you the question of the purchase of the Bowers property and your other assets.

Awaiting your reply we remain, Respectfully yours,

The Highland County Hospital Association.

By it's Trustees,

C. F. WHISLER,
J. A. HEAD,
J. W. WATTS,
J. W. EVANS,
L. B. BOYD,
D. Q. MORROW.

Miss Bertha Bell gave a very delightful party for Miss Ruth Herron last week before her departure for Los Angeles, Cal. Miss Bell and a number of the young friends of Miss Herron at that time presented her with a kodak.

AUTO RUNS INTO BUGGY

Upsetting it and Throwing Occupants Onto Pavement--No One Hurt.

Mrs. Isaac Shoemaker lost control of the automobile she was driving Saturday afternoon and ran into a buggy in which were M. Rizer and Joseph Reed. The buggy was upset and Mr. Rizer and Mr. Reed thrown out on the pavement. The accident occurred on South High street in front of the Opera House building.

Mrs. Shoemaker had backed out from the pavement and when she changed the speed to go forward, she found that the steering gear would not work properly. The machine ran around in a circle in the street and on the second round hit the buggy, on the next round it struck the curb in front of the Palms Confectionery and the machine was stopped.

Neither Mr. Rizer nor Mr. Reed were injured, except for a few bruises. The buggy, however, was completely wrecked, one wheel being smashed, the bed split, an axle twisted and the seat broken.

Mrs. Shoemaker lives on the New Petersburg pike about 5 miles east of town. She explained the accident by stating that the steering gear was out of fix. Mr. Reed lives on Mr. Rizer's farm.

Hillsboro 10, Owensville 7.

Hillsboro playing like a real ball team defeated Owensville at the Fair Grounds Sunday afternoon by the score of 10 to 7. The boys had practised hard all week and put up a good game in all departments. They were aggressive and took advantage of every opportunity both in the field and at the bat. Several errors were made, but errors are a part of the game and as long as they are of the hands are occasionally to be expected. Deakyns was on the mound for Hills boor and pitched a good game.

Dr. Shields Honored.

The honorary degree of Doctor of Divinity was conferred this week upon Rev. W. H. Shields of the First Presbyterian church by Wooster College. Rev and Mrs. W. H. Shields went to Wooster Monday.

Rev. Shields is a graduate of Wooster and deserves the honor that has been given him by his Alma Mater. He has been pastor of the Hillsboro Presbyterian church for several years and his friends and admirers here, who are not confined to any sect, will be pleased on account of his new honors. Dr. Shields is an earnest, zealous christian worker; a man who has dedicated himself to a great work and who is sincerely striving for the good of mankind, a credit to his calling. He is not bound by creed or denominational lines and ably advocates not only from the pulpit but in his daily life, the highest ideals of christian citizenship.

Comfort Station and Band Stand.

Jess Horton presented his plans to the county commissioners Monday for the erection of a comfort station and band stand on the corner of the Court House lawn where the old fountain formerly stood. Mr. Horton had a drawing of the proposed building prepared by a Cincinnati architect. It provided for a comfort station for women in the basement; a store room for Mr. Horton on the ground floor and a band stand on the second floor. Public drinking fountains were arranged for at the corners of the building. The first story was to be of pressed brick and the second story of stucco. It made a very handsome appearance in the drawing.

After examining the plans the commissioners passed a resolution to allow Mr. Horton to erect the building upon a satisfactory contract being drawn up. It was also agreed that the county pay \$250 towards the work on the comfort station and each of the commissioners and Auditor Teter personally contributed \$5 towards the work.

The comfort station and band stand are badly needed, but we think the contract between Mr. Horton and the county should contain a provision making the building the property of the county at the expiration of what ever lease they give him. This provision should be insisted upon by the commissioners as it is only just to the people of the county.

Edward Goodwin and family, Emmett Goodwin and family, Frank Ward and family and Alva Donohoo and family, of Blanchester, and Mrs. Ella Duval, of this place, went to the Serpent Mound Sunday, making the trip in automobiles.

J. E. Pringle and Miss Alma Ahlers, of Cincinnati, were the guests of Mr. and Mrs. John S. Faris, Sunday.
